

STONE SAILING CLUB

GENERAL

Situated on the south side of the Blackwater Estuary between Bradwell and Stansgate Point, the Stone Sailing Club occupies a commanding position with sailing at all stages of the tide.

The object of the club is the encouragement of amateur dinghy/yacht racing/sailing. The Club has been in existence for over 70 years and careful planning has ensured that the facilities have grown alongside the membership. These include ample changing accommodation, good galley and bar facilities and carefully organised racing and support boat facilities.

Racing is divided into:

- Superfast - Asymmetric**
- Monohulls - Fast and Slow & Symmetric Catamarans**
- Junior Fleets (Under 18) - Cadets, Toppers**
- Keelboat Fleet - Squibs, K6 and Cruisers**
- Rowing Boats**

The thriving Junior Section is organised for sailors under 18 years of age. We have a squadron of International Cadets, Toppers and Lasers.

We have a good Squib and Cruiser section, entry being subject to the availability of moorings.

We also have a Guest Membership, which allows non sailors to come and enjoy the club facilities.

If you have a husband/wife/partner or children, full consideration should be given as to whether they should apply for membership at the same time, as under the above rule they will have no right of entry to the Club Grounds or Premises unless they are Club members.

The Club is run by its members on a purely voluntary basis, all members are expected to 'lend a hand' and assist with the Class duties which are occasionally given to the Class Captains.

It must be stressed that it is hoped new members will be prepared to race regularly as well as participate in other Club activities.
